

HERITAGE CHRISTIAN SCHOOLS

July 23, 2010

Dear HCS Families and Friends:

As a result of God's grace and your continued prayers and support, HCS finished the 2009-2010 school year on a positive financial note. We are now counting the weeks until the start of classes for the Fall Semester. God is so good!

In previous letters, we mentioned that a "For Sale" sign would be appearing on our property in the future. As you drive by the school on Highway 100 you will now see that a sign has been posted. It is important to remember, however, that our lease ensures that we will remain in our existing building through, at least, the 2010-2011 school year.

Although it is possible that we will continue at our current location even after the expiration of our current lease, a Site Selection Committee has been working diligently to identify potential alternate locations for the 2011-2012 school year if it should be necessary, or desirable, for us to relocate from our current home. Several potential alternate facilities have already been identified. Each of those facilities feature on-site playground and athletic areas, increased parking and safe drop off conditions, gymnasium(s), and well maintained classrooms.

The Board of Directors and Site Selection Committee will prayerfully continue the task of identifying, evaluating, and securing the best possible location for the 2011-2012 school year—and beyond. We anticipate that an announcement will be forthcoming regarding our precise location(s) around the start of the second semester, if not sooner.

Thank you again for all your prayers and support as God reveals His will regarding our school ! We are confident that God will continue to provide all of our needs. We look forward to HCS serving Christ and His kingdom for another 37 years, and more.

Only Because of Him,

Wendall Harris
Superintendent
