Mission: To train and inspire servant leaders through exceptional Christ-centered education and programs.

Vision: Heritage Christian students will be thoroughly equipped to serve and lead in the home, church, and community with integrity and discernment as evidenced by a commitment to Christ and an ongoing pursuit of Biblical truth.

They will be believers who acknowledge the deity of our Lord Jesus Christ.

They will be persons of honor who strive in every activity to bring honor and glory to God.

They will be a diverse group which strives to bring together all members of Christ's body so that the members may have the same care for one another.

They will be individuals who are relational, and with sincerity of heart serve those around them.

They will be persons of character who, in their faith, supply moral excellence, knowledge, self-control, perseverance, godliness, brotherly kindness, and love in all that they do.
