

What parents love about Heritage Christian Preschool

We loved the parent involvement through field trips and other activities. Our daughter built beautiful friendships, as did we with other parents.

From day 1, we saw our daughter so loved and taken care of by ALL her teachers.

Our children eagerly look forward to going to school every morning and that's a sign they love their school.

Heritage Christian Preschool was part of the seed planted in our daughter that we know will bear good fruit in her future.

We greatly appreciate the doctrine and foundational Biblical values that we adhere to as a family reinforced in our child's school environment. It is an experience of "saying AND doing" of the Word of God.

The whole staff at the preschool truly love their jobs!

The best word I can think of for our experience at Heritage Christian Preschool is LOVE!

We really feel like family coming to the preschool! Our kids feel loved, valued, and cared for.

Our Director

Mrs. Charity Hoskins received her certification in Early Childhood through Waukesha County Technical College and has continued her education through Grace College. She has a great passion for providing Christian learning in an exceptional preschool program. Her goal for every student is to explore and develop a healthy self-concept and self-understanding consistent with being created in God's image, preparing them academically for their next stage in life.

Calendar Highlights
