Modeling servant-leadership through exceptional Christ-centered services and programs, we will help (boost) the athletic director, coaches, and parent volunteers so they can train and inspire HCS student athletes to be servant leaders for Christ.

VALUES

- **Participation:** We invite you to participate and support HCS Athletics. Everyone wins when you show your Patriot pride!
- **Teamwork:** We serve together and support one another. "Many Boosters make light work." The more members we have available to help, the lighter the load and the more we will be able to do for our athletes, coaches and athletic director.
- **Faith:** We believe God will do great things through our actions.
- **Excellence:** We always strive to do our best with what we have been given.
